The one hundred and thirtieth session of Miami Annual Conference of the Church of the United Brethren in Christ convened in the Oak Street Church in Dayton, Ohio, at 9:30 a. m., Tuesday, September 12, 1939. Mrs. Mary Blue Morris played "Gethsemane" by Malling, as an organ prelude. Bishop A. R. Clippinger, D.D., called the Conference to order and quoted Romans 12:1 and 2 as a call to worship. Rev. W. I. Underwood, D.D., led in singing "Lift up the Gates of Praise." Rev. L. M. Hohn, D.D., led in prayer of invocation.

We read responsively from Psalms 33, a lesson entitled "Joy in God." The Miami Conference Ministers Quartet, Reverends Dennis, Bevis, Underwood and Gregory sang "I Love Him," to the tune of "Old Black Joe."

Bishop A. R. Clippinger read from Galatians I and spoke on the theme "The Gospel of Revelation." "Paul did not see Jesus in the flesh. He knew the Christ of experience rather than the Christ of history. His faith came from within. Christianity is not an ideal but a living reality and that reality is the experience of Christ; and from that experience comes action and faith and emotion and power."

The sermon was closed with a fervent prayer for the presence of the spirit in our hearts. We sang "I Need Jesus."

Rev. H. G. Clark, pastor of the Oak Street Church led in a prayer of thanks and consecration.

Bishop A. R. Clippinger gave explanation and invitation for the communion service and read from the discipline the communion lesson. Revs. L. M. Hohn and H. G. Clark served at the table and Revs. W. T. Frank, C. R. Smith, F. L. Dennis, E. L. Smith, J. B. Henry and E. R. Turner distributed the elements. After we had partaken together of the sacred emblems we sang "Jesus, I My Cross Have Taken."

Dr. F. L. Dennis spoke in memorial of Rev. E. C. Petry. "Reverend Petry was a native of Miami Conference and began his ministry here but he spent twenty years in work outside the conference. Since returning he served as pastor at Hamilton and East Dayton and was just beginning work at Otterbein Home when he was stricken. He was true to the old faith but aggressive in his use of method. He was human and sympathetic and was very faithful in his work." (Report No. 7.)

Rev. M. I. Comfort bore tribute to Rev. W. C. Niswonger, who was for more than fifty years an active pastor in this conference. "Brother Niswonger was a strong preacher and a very faithful pastor. For many years he had the record of making the largest number of pastoral calls

of any man in the conference. He had a passion for the ministry." (Report No. 8.)

Bishop A. R. Clippinger spoke of his joy in having known these whom we remember today. "Their works do follow them. Our hearts are solemn in the thought that death is in the land. Let us be faithful in our tasks and see that our houses are in order."

Rev. J. P. Hendrix read Part I of the report of the Boundary and Finance Committee. The report was adopted.

Rev. L. B. Venatta read the report on Bonebrake Seminary. The report was adopted. (Report No. 16.)

Dr. C. E. Ashcraft spoke as representative of the Seminary. "We appreciate the continued loyal support of Miami Conference, your fine spirit of cooperation and your help in providing work for some of our students. Thirty-four of our students are serving pastorates. Twenty-seven out of thirty applicants for admission to the Seminary this fall are college graduates. The current debt is less than it was ten years ago. The bonded debt is being reduced $50,000 per year."

"The United Brethren Church has lost 710 ministers in the last 10 years. We need about 70 new ministers who should be college and seminary trained each year. Miami Conference should have not less than twelve young men in Bonebrake Seminary preparing to fill our own pastorates and we should do more than that and help provide leaders for our missionary work at home and abroad.

"The whole matter of scholarships of means of financial support and the changing phases in education and the means of spritual life and experience, all deserve and have our serious consideration. 'Back to Christ is the forward movement of this day.' "

Dr. W. G. Clippinger spoke on "Why Ministerial Pensions." "Ministers are in need and will be in even greater need. Low salaries make it impossible for our ministers to lay by security for old age. The goal of one million dollars endowment fund for a denomination of over 400,000 members is a very modest asking. Ministers are not in the national plan of social security, and responsibility for their old age is squarely on the church. Providing an income that will make it possible for men to retire will make room for younger men. Ministerial pensions is now a part of our denominational program and if we are loyal we will do our part now. In our effort together we get the joy of fellowship in a common task and the pride of our common success. Fifty cents per year for five years from all the members of our church will raise the million dollars. $1.13 per member of Miami Conference is due now but you have paid thus far only thirty-three cents per member. We ought to speed up. The greatest danger is just neglect."

Rev. M. B. Klepinger read totals from the report of the Statistical Secretary and some comparative statements. The report was approved. (Report No. 17.)

Rev. E. S. Comrey read the report of the ballot for conference superintendent. (Report No. 18.) In this ballot Dr. L. M. Hohn received 113 votes of a total of 120 cast and is hereby elected superintendent for the coming year. The report was applauded and Doctor Hohn was declared elected superintendent. He spoke briefly expressing his sincere appreciation and his earnest desire and purpose to be of the greatest possible service.

Dr. D. T. Gregory announced that literature and report blanks are here provided by the Board of Administration. Dr. L. M. Hohn called attention to sets of posters provided by the Board of Christian Education which are here and for sale at $1.00 per set.

Dr. F. L. Dennis introduced Rev. L. W. Stolte, pastor of the Second Evangelical Reformed Church of Dayton. Rev. S. L. Brill stated that many successors' records are still missing.

We adjourned with prayer by Dr. W. G. Clippinger.

Rev. Robert Copeland read Scripture and led in prayer. An offering was lifted, to be applied on conference expense.

The Oak Street Choir sang very effectively Part II, of the "German Requiem," by Johannes Brahms.

Rev. S. G. Ziegler, D.D., secretary of the Board of Foreign Missions, spoke on "The Church Facing The Present World Order." "We face one of the most confusing situations that ever faced the church but it is not new. Jesus lived in a day as dark as anything we know. The Jews were taxed by Rome to 30% of their income. Cities were burned, thousands were slain and other thousands sold into cruel slavery in that day. Jesus does not ever counsel violence in meeting violence. He took not the way of the sword but the way of the Cross. When the Cross was made by Constantine, a symbol of war, the world began to drift into the dark ages. Then Wycliffe and John Huss took the path of protest and suffering. Today the way and the only way to a warless world is the lonely way of courage and heroic love; the way of sacrifice and even death, the way of the Christ. We must dare to live the Kingdom of God today."

The benediction was by Dr. S. G. Ziegler.

WEDNESDAY MORNING SESSION

We stood and sang the "Doxology," and Rev. Roy Miller led in prayer. We sang "God is Love."

Dr. C. W. Brewbaker and Rev. Elias Cross led in prayer and we sang, "Great God Attend while Zion Sings."

Bishop A. R. Clippinger spoke on "The Value of Religion," using as a text Acts 26:29 and especially the words "Such as I am except these bonds." "Paul was deeply religious both before and after his conversion. Religion may be good or bad. Paul changed his religion on the Damascus road. After that, his religion was faith in Jesus Christ and life with Christ as Lord and Saviour. From this religion, he had great patience and courage and a living joy. From it he had a great and abiding love, he had a life of victory. The Christian religion helps a man to live at peace with his neighbors and with himself. Religion is not a theory about God but the experience of God. Without God, there is a vacuum in the soul. With God, man finds joy and confidence and trust and peace." The address closed with prayer.

The conference quartet sang "The Church in the Wildwood."

Rev. Geo. Jacoby read the report on the Christian Sabbath. The report was approved. (Report No. 19.)

Rev. B. F. Lamb, D. D., executive secretary of the Ohio Council of Churches, spoke in the interest of this work. "If there is to be peace, there must be continued effort in education for peace. The Ohio Council of Churches has a peace education program. We have held for fourteen years statewide Peace Declamation Contests. We provide medals, publicity, materials and plans for these contests. Young people who participate are tied to the peace movement and to the church by this activity and in the program help to provide peace education."

"Conference on international relations are being planned in all counties that will cooperate for the coming November. The purpose will be to get folks to study world problems."

"The Ohio Christian News in a new form is an attractive, unique and valuable journal giving news of cooperative Christian work in Ohio. The price is $1.00 per year, but it can be purchased at cheaper rates in quantities for distribution in churches."

Mrs. E. J. Drake, president of the Bonebrake Seminary Auxiliary, reported the work of that organization and made a plea for membership and cooperation. "We make an effort to do those things that make the

Seminary a good home. We spent last year about $2,000 in redecorating the dormitory. This year we have painted the dining room and are remodeling the kitchen. We have purchased an electric refrigerator and carpeting for runners on the first floor. We aim to purchase new rugs for the suites in the dormitory as rapidly as we secure the funds. We are now making effort to secure a key worker in every United Brethren Church. We want a larger membership in Miami Conference. The annual dues are only 25 cents per year for an individual or $5.00 for a group." Envelopes were passed and members enrolled.

Rev. O. O. Arnold spoke on "Gods Will Be Done in the Community." The church needs the vision of a task. Institutions live by their functions. Our business as Christians and as a church is to undertake to do the will of God. The will of God in community life is life and fulfillment, joy and security, justice and freedom, unity and brotherhood, mercy and love, cooperation, progress and religion. Where these are lived the will of God is done and the kingdom of God is. Our great task is to live these things and make them real and dominant in our community.

Dr. C. E. Ashcraft spoke on the "Changeless Christ for the Changing Community." "We live in an age of conflict and confusion and change. The world is disintegrating. Men are bewildered, there is a suicide in America every 28 minutes. One-half of the people on hospital beds are there because of nerves and emotional mal-adjustments. Unwholesome emotions are deadly as germs. We find peace in loyalty. The problem of unity of soul is solved when we accept Christ as Lord and give ourselves to serve him and his Kingdom." "Over against this disintegrating world and social order there stands the eternal Christ calling us to the way of love and brotherhood."

Rev. Roy Miller presented a resolution concerning the terms of office of the members of the Historical Committee. The resolution was adopted. (Report No. 20.)

A vote was cast for election of conference officers, Section I. Mr. John Lyter announced the location of the book table. Rev. C. R. Smith, Rev. Roy Miller, and Dr. L. M. Hohn announced committee meetings and Doctor Hohn invited folks to visit the new conference manse at 927 Cumberland Avenue.

Smith, pastor of the North Side Baptist Church, of Indianapolis, and Mr. Oscar Gast, executive secretary of the Butler County Sunday School Council, were introduced and invited to advisory relations.

We adjourned with prayer by Dr. R. A. Powell.

WEDNESDAY AFTERNOON SESSION

Dr. W. I. Underwood led in singing, "Fill Me Now." Rev. J. D. Nisewonder led in prayer.

The Ladies' Quartet of the Ginghamsburg Church sang, "Keep on Praying" and "My Glory will then be Complete." Members of this quartet are Mrs. Clarence Barnhart, Mrs. Everett Pearson, Mrs. Noah Gantz, Mrs. Eva Lane, with Mrs. John Davis as accompanist.

Rev. Geo. Oliver read the report on Foreign Missions. The report was approved. (Report No. 20a.)

Rev. H. P. Snapp read the report on Otterbein Home. (Report No. 21.) The report was approved.

Rev. C. E. Traylor, superintendent of the Otterbein Home addressed the conference. "We have a hundred and sixty-four children and 108 in the aged group at the home. They are generally happy and contented. We try to give our children outside contacts and directed activity. We try to prepare our children to go out into the world and make good. We try to teach them absolute honesty, good workmanship, cheerfulness, courtesy, neatness and cleanness. We try to be good stewards making good use of all you provide. We need a large Christmas offering, our current

expenses are $6,000 per month. To raise one dollar per member is a possible achievement but to do it many must give much more."

"Mr. W. H. Cassel, treasurer of the Otterbein Home, made a statement in regard to the finances of the home. Ten years ago, the debt of the home was over five hundred thousand dollars. From that time on, we have lived within our income and reduced our debt. March 1, 1939, the total debt aside from annuities was about $205,000.00. One offering of one dollar per member from the conference in our area would wipe out the whole debt. The property is now worth close to one million dollars. We can't reduce operating costs to meet lower income but we can raise the income to meet the need and in it all to give a larger service to children and the aged."

In answer to a question by Mr. Wm. Reichert, Mr. Cassel stated that the proceeds of the sale of real estate have all been applied on the mortgage debt except $25,000 and that the present mortgage debt is only $60,000.

Rev. E. S. Comrey read the report by the Tellers of the Ballot for Conference Officers. Section I. (Report No. 28.)

Rev. Walter Miranda read the report on Publishing Interests. The report was adopted. (Report No. 22.)

Mr. L. C. Weimer, manager of the U. B. Office Building, spoke for the Publishing House. "We are all so different, let us be tolerant. We face a world at war, let's stay out. Let's choose rather the path of poverty if that is the way of peace.

"We are on the road out as far as the Otterbein Press and the U. B. Building are concerned. The hope is that we will live long enough to see the Publishing House free of debt. You can help, use U. B. literature."

Col. H. E. Myers, since 1918 a member of the Publishing House Board, was introduced and spoke briefly. "We have faced grave problems in the history of the Publishing House. At one dark hour it was receivership or reorganization. If mistakes were made they were of the head and not of the heart. We have sought earnestly the way of the will of God. There is much encouragement today. We have a quality of literature of which we can well be proud. Patronize the house, circulate the literature. You not only help the house but you help in the spreading of Christianity."

Colonel Myers then presented as a token of appreciation to Rev. Homer Felty as Telescope Quota winner, on behalf of the Publishing House, and said to all the ministers, "Go thou and do likewise."

The matter of a statement in regard to neutrality was referred to the Committee on Resolutions. Rev. Ray Upson of St. Joseph Conference, was introduced and voted an advisory seat in the conference. Mrs. E. J. Drake called a meeting of women interested in the Bonebrake Seminary Auxiliary.

We adjourned with prayer by Rev. A. E. Landis.

WEDNESDAY EVENING SESSION

Rev. J. P. Hendrix presided. The organ prelude was "Adagio" from the "Second Sonata" by Mendelssohn. Mr. Ed Morris led in singing, "The Light of the World is Jesus," and "Let the Lower Lights be Burning."

Rev. Philip O. Deever read I Corinthians 1:18-31 and led in prayer.

As the offering was received, Mr. Paul Blagg played the "Centennial" as a cornet solo. Mr. K. E. Glendenning, baritone soloist, sang "Omnipotence."

The address of the evening was by Rev. Geo. Sonneborn, D. D., pastor of the Central Reformed Church, on the subject "Vital Christianity expressing itself in Definite Action." His text was Acts 17:6. "These that turn the world upside down."

"The world is wrong because too many hearts are wrong. Sin is still our problem. A better world waits for better men. God changes men who come to him and coming to God is a personal, private matter. We cannot inherit religion. It is an experience that enables one to say, "O God, thou art my God.' All the resources of God are available to those who have the vision of the Kingdom of God. If the church fails, no real

values are left in the world. The task for the church is not just to be a Good Samaritan but to make the Jericho road safe. Christianity will not fail but there is great danger that we may fail. If we are in earnest about our Christianity and if we want to build the Kingdom of God, we must express our Christianity in definite actions day after day."

Rev. J. P. Hendrix pronounced the benediction.

THURSDAY MORNING SESSION

We sang the "Gloria Patri," and Rev. A. S. Wolfe led in prayer. We then sang, "Wonderful Words of Life."

Bishop A. R. Clippinger brought a devotional message on the theme, "Divine Discontent." "Christians have a peace of mind and satisfaction in life. There is sometimes danger of too much self-satisfaction. Religion must be more than a memory of a past experience or a pride in present attainment. A Godly life and a feeling of unworthiness go together. 'What lack I yet?' is a question for each of us to ask. We need pure hearts; we need more God consciousness, more confidence in God, more hope and courage, more knowledge and preaching of the word of God and of the crucified Christ. We need more of the victory of Christian faith and vision. We need more of the spirit of Christ."

Rev. Ray G. Upson sang, "Going Home." Dr. S. S. Hough was invited to speak. He thanked the Bishop for his timely message and then spoke briefly. "Two verses are precious to me today, one is 'I have learned whatever my lot in life therein to be content,' the other is, 'Though the outward man perish, the inner man is renewed day by day.' I am glad for the continued progress of our church and for the spirit and vision of our leaders."

"I am making an effort to review the story of the beginning of our denomination as revealed in the Journal of Bishop Christian Newcomer. I find this most interesting. We are today in a time of matchless opportunity for laying a foundation in love and righteousness and justice for a world of peace tomorrow."

Bishop A. R. Clippinger announced that Dr. C. W. Brewbaker is available for Evangelistic meetings and recommended him for such service.

Doctor Brewbaker was called to the platform and spoke briefly. "My life has been very full, I have had a wonderful and rich experience of work and fellowship. I served for sixteen years as secretary of Sunday School and Brotherhood work and for four years as secretary of Evangelism. We have had a wonderful six years in the pastorate at Fairview. In all of these busy years, I have written and published eight books. I plan to do some writing and will be available for work in Christian Education or evangelistic effort. I want to serve. My address will be 926 Manhattan Avenue."

Statements were made that Mrs. E. L. Smith was seriously ill; Mrs. C. B. Boda is in the hospital; Rev. C. D. Dowdell has undergone a major operation and Rev. E. T. Aldrich suffered a stroke a week ago last Sunday. Dr. F. L. Dennis led in earnest prayer for these persons.

A trio consisting of Reverends Gregory, Dennis and Upson sang "Fair Eden My Home." We sang "We're Marching to Zion."

Dr. P. E. Wright, superintendent of Southeast Ohio Conference and pastor of the Mills Memorial Church at Lancaster, Ohio, spoke on "The Credentials of Jesus." His text was Luke 7. "Art thou he that cometh or should we look for another."

"Our denomination demands credentials that certify character and education. John was asking for Jesus credentials. Jesus pointed to the fruits of his doing. The proof of his deity was in the fact that the blind saw, the deaf heard, the lame walked, lepers were cleansed and the dead were raised. The church today has available the power of the ever-living Christ. Our business is to bring sight to the blind, hearing to the deaf, to raise the dead and to preach good tidings to the poor. We can do these things and if we do not we surely fail."

We sang "I Love to Tell the Story." Rev. and Mrs. E. R. Robinette of Southeast Ohio Conference were introduced and welcomed by vote of the conference.

Rev. S. L. Brill read the report of the Committee on Pastor's Records and Reports. The report was approved. (Report No. 25.) Bishop A. R. Clippinger commended the conference on the method used for checking up on records and urged faithful care in conserving the membership of the church. "It takes work, visiting and letter writing but is most worthwhile."

Dr. P. E. Wright as preface to his second address expressed his gratitude for the warm welcome and the fine fellowship of this conference. He expressed his earnest interest in preacher pensions and his conviction that success in this effort is imperative.

The text of his address was John 17:14. "I have kept them in thy name" and the theme was "The Keeping Power." "Jesus is not only Saviour but shepherd. The church is also to reach folks and bring them to the Saviour and to keep them and build them up in Christian faith. Many churches make little effort in evangelism, protracted meetings are not popular, many churches are about played out. In every such church somebody is to blame. When leaders are faithful and loving, souls will be

saved and added to God's family. God does not give children to a dead mother or converts to a dead church. Essentials of successful Christian leaders who will be evangelists and good shepherds are these: God-born earnestness, persistent effort, complete consecration, a deep conviction that folks without Christ are lost, a purpose that will not accept defeat, a fathomless faith in God and a Christlike passion for the lost and the weak. With these we shall not fail and shall some day be able to say 'I kept them that thou gavest me.'"

Prof. D. A. Puderbaugh read the report on Ministerial Pensions. (Report No. 27.) Bishop A. R. Clippinger urged diligence and faithfulness in this matter. The report was adopted.

Rev. E. S. Comrey read report of the Ballot cast for conference officers Section II. (Report No. 28.)

Announcement was made that the following officers were elected for the Miami Conference Bonebrake Seminary Auxiliary for the coming year: President, Mrs. D. T. Gregory; vice-president, Mrs. Fred Hildebrand; secretary, Mrs. G. E. Strahler; treasurer, Mrs. Chas. Potts.

Dr. L. M. Hohn announced that literature for each pastor and a diary for the coming year has been placed in the hands of district leaders.

We adjourned with prayer by Bishop A. R. Clippinger.

Dr. J. R. Howe, president of Otterbein College was introduced and spoke briefly. "I bring the greetings of Otterbein College and am glad to report that we are having an encouraging beginning of a new college year. There is a freshman class of 161 enrolled. We have a new health center and a new auxiliary dormitory for girls with opportunity for self-help. We want to make and keep the college Christian. There is no hope for the church without Otterbein nor for Otterbein without the church."

Dr. D. T. Gregory gave an illustrated lecture on the World-wide Work of the United Brethren Church which showed our part in the program of kingdom building. That the will of God may be done in the Church, the Home, the Community and the World. Rev. Harry Sinks pronounced the benediction.

FRIDAY MORNING SESSION

We sang "O Love that Wilt Not Let Me Go," and "Standing on the Promises." Rev. Earl Stockslager led in prayer, and we sang, "His Loving Kindness."

The devotional address by Bishop A. R. Clippinger was on the theme, "The Indwelling Word of God." "The Bible is the Christian's text-book, a book of history, of teaching for all ages and all situations of life. The great proof of the inspiration of the Bible is that it helps, comforts and guides people to life and to God. The Bible is the most popular book in circulation today. Knowing Christ helps to love and know the Bible. Knowing the Bible helps to know and love Christ. Let's peruse its pages, it will be a lamp unto our feet and a light unto our pathway." We sang, "Beautiful Words of Jesus."

The roll was called and record made of ministers who are willing to take work.

A vote was cast for election of representatives on the Board of the Westerville Training School.

Rev. A. G. O'Dell brought greetings to the conference from Mrs. Lizzie Coblentz, who is a granddaughter of David Kemp, who was called Peter Kemp, and at whose home Bishop Christian Newcomer held the first two-days meeting of United Brethren in this district.

Rev. J. P. Hendrix read the report on Otterbein College. The report was approved. (Report No. 29.)

Rev. Ralph Tinsley read the report of the Miami Conference Board of Christian Education. The report was adopted. (Report No. 30.)

A motion was made and carried that we authorize the conference board of Christian Education to investigate and if possible procure for the conference a suitable site and equipment for summer camps, retreats, and training school.

Bishop A. R. Clippinger reported the progress being made for union of the United Brethren and of the Evangelical churches and work now being done toward meeting of the commissions to be held in November.

Rev. F. W. Willard, pastor of the Wayne Avenue Evangelical Church was introduced and brought greetings from that denomination. "There is a depth of good will and friendship among our ministers and laymen toward the United Brethren Church. Church union is approved generally in our denomination. We want it to be done safely and successfully. We cannot be true to Christ unless we seek to answer his prayer that 'they be one'." The address was heartily applauded.

Dr. J. Gordon Howard, secretary of the Commission on Church Union, spoke in response to the request of the chairman. "The Evangelical leaders are great and good men. After meeting them, we feel that union with them will be of great advantage to us all. West of the Mississippi there is special need and desire for this union."

Rev. O. O. Arnold told of his birth and education in the Evangelical Church and moved the adoption of a resolution expressing our appreciation of the kindly greeting of Reverend Willard, our sincere hope that organic union of our denominations shall be consummated and our desire for continued progress toward this goal.

Bishop A. R. Clippinger gave a very interesting review of some of the problems that must be solved and adjustments that must be made before we become a single denomination.

Rev. C. R. Smith read the report of the Committee on Policy. (Report No. 31.) After discussion, the report was referred back to the committee.

Mr. S. P. McNaught, superintendent of the Anti-Saloon League of Ohio, addressed the conference. "We seek so to conduct our affairs that we shall have the support and good will of you all. On July 1, 1939, we had in the United States 666 million gallons of distilled liquor and the liquor interests are opening a great advertising and selling campaign to put this liquor on the market. We need unity, courage, and enthusiasm if we are to meet and defeat this selfish, commercial campaign. We need, and we seek to elect a legislature that will give us a good county option law. Elections under such a law will provide machinery for education

and for putting the fear of the law in liquor dealers. We intend to do our best with your help to stop the flood of liquor."

Rev. E. S. Comrey read a report of the vote for representatives on the Board of the Westerville Training School. By this ballot, Rev. Harvey Hahn and Rev. W. K. Messmer were elected.

Rev. C. R. Smith read again the report of the Committee on Policy. (Report No. 31.) After considerable discussion this report was adopted as amended.

Rev. J. P. Hendrix read the report of the Committee on Boundary and Finance. (Report No. 32.) On motion the report was adopted.

A motion was made and carried that the matter of raising funds for the Superintendent's manse be referred to the conference council.

Rev. W. I. Comfort brought a supplemental report of the Committee on Conference Relations which report was adopted and by this action G. P. Campbell and C. E. Hetzler were granted the relation of Evangelist-at-large, for the coming year, and Rev. Elias Cross was granted the relation of Retired Elder.

Rev. F. L. Dennis presented a resolution providing for the Board of Publication of the Miami Messenger. The resolution was adopted. (Report No. 33.) A motion was made and carried that the Secretary be instructed to cast the ballot of the conference for F. L. Dennis and E. R. Turner as representatives of the conference on the Board of Publication of the Miami Messenger. The ballot was cast and these were declared elected.

Mr. O. A. Stutz read his report as Stewardship Secretary. The report was approved. (Report No. 34.)

Rev. Geo. Duckwall read his report as Registrar. The report was adopted. (Report No. 35.)

Rev. B. C. Cameron spoke as representative of the American Bible Society. "A great need today is Bible reading in the home. We are compiling a book of plans for promoting such reading, send for it."

Rev. Walter Peck read the report of the Resolutions Committee. (Report No. 36.)

Bishop A. R. Clippinger announced the Areal Conference to be held December 4, 5, and 6.

The minutes were approved without reading. A motion was made and carried that this one hundred and thirtieth session of Miami Conference adjourn "sine die" after the evening service.

A motion was made by Dr. F. L. Dennis and seconded and carried that we pledge to our Superintendent and Bishop, our faithful and earnest effort to make this the best year of service and success in Miami Conference.

The prayer of dismissal was by Bishop A. R. Clippinger.

FRIDAY EVENING SESSION

Dr. L. M. Hohn presided. The organ prelude was the "Chorals," by Karg-Elert. The hymn, "We're Marching to Zion," was used as a processional. The prayer of invocation was by Rev. Roy D. Miller. We sang, "True Hearted, Whole Hearted" and "God Will Take Care of You." The Oak Street Choir sang the anthem, "This Is the Day Which the Lord Hath Made." Rev. O. D. Wellbaum read John 3:1-16 and led in prayer.

Bishop A. R. Clippinger introduced the offering which was for Conference Ministerial Relief. We sang, "I'll Live for Him."

Bishop A. R. Clippinger preached on, "The Signs of the Times." He read from Matt. 16, the request of the Jews for a sign and the reply of Jesus.

"In the days of Jesus Palestine was under the cruel tyranny of Rome. The Jewish religion was decadent and the priesthood was corrupt. The destruction of Jerusalem was at hand, but the Jews could not see or refused to see the signs of the times.

Today, we see cruel, heartless war, confusion, turmoil, suffering around the world and lethargy and indifference in the church and immorality in our national life.

When the Jews asked for a sign, Jesus said, there would be no sign given but the sign of Jonas, and this is the call to repentance. God calls persons and churches to repentance today. There is no other way to life and to peace."

We sang, "Jesus I Come."

Rev. Wm. K. Messmer was ordained as an elder by Bishop A. R. Clippinger, Dr. L. M. Hohn and Rev. M. B. Klepinger assisting. Rev. Harry Sinks was given a certificate of membership in Miami Conference.

Bishop A. R. Clippinger read the report of the Stationing Committee and dismissed the congregation with prayer.

O. O. ARNOLD, Secretary.

Report No. 1
REPORT OF THE COMMITTEE ON MEMOIRS

Each successive Annual Conference finds some name removed from its roll by the inevitable hand of death. From active manses, as well as homes of retirement, eight of our co-laborers: Dr. S. F. Daugherty, Rev. E. C. Petry, Rev. W. C. Niswonger, Rev. Ivory Zimmerman, Rev. O. L. Barngrover, Rev. William Michael, Mrs. J. A. Pantle, Mrs. G. A. Powell, have gone to answer roll call in eternity during the year.

As we pause reverently today in this Memorial Service, we "mourn not as they who have no hope," but rather rejoice in the knowledge that Jesus Christ severed the bonds of death and brought life and immortality to light. By his grace and power these lived nobly among us through the years, and our lives are richer and better for having known them. Home-going for each was not the end of living, but only a divine promotion to the life abundant in filial comradeship with the Master of life and death. True our fellowship with them has ceased for a little while, but it shall be continued tomorrow if we remain faithful to our calling.

While listening to the tribute of love by friends who knew intimately these honored dead, may there come to each of us, in a new and fuller measure, the assurance that for all worthy Heroes of the Cross

"There is no death! the stars go down
To rise upon some other shore;
And bright in heaven's jeweled crown
They shine forevermore."

Respectfully submitted.

RALPH W. TINSLEY,
Committee.

Report No. 2
MRS. JACOB PANTLE

Miss Ella Cloppert cast her lot with Jacob Pantle at Clayton, Ohio, when he was a plasterer by trade—and she was content. But they were both converted in an evangelistic meeting conducted by the Rev. D. N. Howe, and from that time on "she had religion and used it."

When J. L. Swain, presiding elder of Miami Conference in its session of 1887 at Miami Chapel, signed his name to a document licensing Jacob Pantle to preach there started a career for Mrs. Pantle as preacher's wife—and at it she did nobly well.

In those horse and buggy days she spent many weary Sunday hours journeying around the circuits listening to her husband preach, always being his "best critic," but "never interfering in the work of the church."

Rigid "economy" and "sacrifice" are mingled in those early salaries, $200 the first year, $450 for many years. Fifteen times she saw the mover's wagon back up to the door and cart away to another parsonage the furniture with which she fashioned a home. And when at funerals she sang with her husband, the sympathetic tones of her voice told of a sorrow close to her heart—the loss of their little three and a half year old girl. For almost eight years their home was without the good cheer of childhood's laughter, and then came a little boy—Shelley, who now lives at Portland, Indiana.

The last eighteen years of Mrs. Pantle's life were spent in Greenville, closely confined to her home by illness. Her 80 years of earthly life came to a close on April 29, 1939—her body was laid to rest in the burial ground adjoining the Abbottsville Church, and with that great eternal host she awaits our coming.

Our hearts go out in fraternal sympathy to Reverend Pantle in this period of great loneliness. To Shelley, the nieces, the brother, the sister,

we commend a cherished remembrance of her "good, honest, upright" life.

He who knew her best has said, "The preacher that's got a woman like Mrs. Pantle is fortunate." JOSEPH HENRY.

MRS. IDA POWELL

Anna French Johnson, in her book, "The Making of a Minister's Wife," says, "of all the professions open to women, that of the minister's wife provides the least formal training. She plunges without apprenticeship into a complex, difficult, demanding life." After eighteen years spent in the business world Miss Ida Drumm made that plunge when she became the wife of a Miami Conference minister.

To be always a gracious lady and a kind and thoughtful friend even in the midst of all the trying experiences of the home and the parish is no small accomplishment. Yet that was the accomplishment of Mrs. Ida Powell in all her years as the wife of Rev. G. T. Powell. She was a true helpmate to her husband, quietly inserting her kindly nature and pleasant ways into all the work of the parish. Her interests were broad for she gave herself not only to her home and her local church, but also to the wider work of the church, especially in the work of Missions when she served as vice-president of the Miami Branch Woman's Missionary Association.

Her good care of Mr. Powell in his long illness, the love expressed by her step-children for her, and the friends she left on every charge where she served with her husband, all testify to her Christian life which she lived daily. Using the words of her stepson, "she had exceptional patience and adaptability, coming from the business world to accept the problems of the home and the ministry. In these two things she excelled."

"I cannot say, and I will not say that she is dead—she is just away."

"With a cheery smile, and a wave of the hand,
She has wandered into an unknown land,
And left us dreaming how very fair
It needs must be, since she lingers there."

REV. WM. MICHAEL

Rev. Wm. Edward Michael, son of Silas and Elsie J. Michael, was born near Deerfield, Ind., May 31, 1865, and passed away at the home of his daughter, Mrs. Estella Wilt, September 17, 1938, at the age of 73 years, 3 months, 16 days.

On May 20, 1890, he was united in marriage to Nora Doty, who preceded him in death. Early in life he accepted Christ as his Saviour and ever remained true to Him. He united with the Eastern Indiana Christian Conference as a licentiate member in September, 1898, completed the Conference Course of Study and was ordained an Elder in September, 1901. In August, 1920, he was transferred by letter to the Miami United Brethren Conference.

"Daddy" Michael, as he was called by everyone, was always a true and faithful member of his church, attending regularly as long as his health permitted. He was of a kind and jovial disposition and will be greatly missed by all who knew him. G. W. DUCKWALL.

REV. IVORY ZIMMERMAN

For thirty-seven years the last name called in the roll of members of Miami Conference was Ivory Zimmerman. During these years he served charges as follows: Waterhouse, 1902-1905; New Haven, 1905-1909; Brookville, 1909-1911; Clayton, 1911-1917; Vandalia, 1917-1924; Union City, 1924-1929; Norris Memorial, 1929-1936; Zion 1936-1938.

If success is achieving honor or position his was not a life of great suc-

cess, but if success is measured by faithful service and the achievement of a Christlike character his place is among the first. In his home life and in his work as a pastor he was a living witness of the fruit of the Spirit. He was "a good man full of the spirit and wisdom." He lived soberly, righteously and Godly in this present world. His life was marked by a calm self-control, justice tempered with mercy and a real and attractive piety. The light of the life he lived will continue to shine in the churches and communities where he served and in the hearts of all who knew him.

O. O. ARNOLD.

REV. ORIE LEE BARNGROVER

Each year we pause to pay tribute to our fallen co-workers in the ministry of Jesus Christ. Along with a number of others, we give due recognition to the life and work of Rev. Orie Lee Barngrover who passed away at his home in Toronto, Canada, January 4, 1939.

He began preaching the gospel at the age of nineteen, having received his first appointment in 1897 from the Southeast Ohio Conference when he was assigned to the Plymouth Circuit. His ministry was very successful and soon he came to be recognized as a strong preacher, an excellent organizer and an outstanding leader. He had the ability to get his people to work as a unit. The greater part of his thirty-three years in the ministry was spent in the Southeast Ohio Conference where he built two of the leading churches: Logan and Portsmouth. Both of these churches today are among the largest and the best of that conference.

Because of ill-health, he was forced to retire from the active ministry for a time and moved to Hamilton, Ohio, where he engaged in the insurance business. But the call of the ministry was still upon him and in August, 1925, he was appointed to the Mt. Healthy Charge in the Miami Conference. The church immediately took on new life under his leadership. The church building was remodeled at considerable expense but by 1929 the entire debt was liquidated and the mortgage burned. Following the completion of this project, he next led his people in the building of one of the finest parsonages in the conference, dedicating it in the fall of 1934.

Mt. Healthy was the only church that Brother Barngrover served in the Miami Conference, but on that field he proved himself a very capable leader and devoted servant of Christ.

"Servant of God, well done!
Rest from thy loved employ:
The battle fought, the victory won,
Enter thy Master's joy."

Report No. 7
REV. E. C. PETRY

Twenty years out of the very heart of the ministry of Brother Petry were given to educational, evangelistic, and pastoral work in various conferences beyond our borders. During those twenty years, the personnel of the Miami Conference changed greatly. In fact, the change was so great, that comparatively few of us, who are in the active ministry here today, knew him prior to his return in 1927.

Since that time we have had occasion to note that:

1. He was "old-fashioned." (With us this is not a term of derision.) While eager to learn and to use new methods, he clung tenaciously to the "faith of the fathers."

2. He was alert. Through reading and conversation, he sought to keep in step with the times. In his Hamilton pastorate he carried out successful experiments with a form of church night services.

3. He was aggressive. Brother Petry chafed at restraint. He wanted to see things move. There were times, probably, when this eagerness to

see the work advance, may have revealed his impatience at the tardiness of others.

4. He was sensitive. By this, I mean that Brother Petry was not impervious to the attitude of others. He was capable of strong affection. Consequently, his spirit was sensitive to any lack of fellowship.

5. He was faithful. This is one of the highest attributes of character. He was faithful to his companion, to his parishioners, to his Lord. To him, as to others since the dawn of Christianity, was it said: "Be thou faithful unto death, and I will give thee the crown of life," and again, "thou hast been faithful over a few things, I will make thee ruler over many."

REV. W. C. NISWONGER

I am glad to bear tribute to the life and labors of Rev. W. C. Niswonger, friend and brother. I have known Brother Niswonger for the past thirty-three years and we have been intimate friends for fifteen years.

He was a true friend and faithful to his convictions. When he yielded to the call of God to the Gospel ministry it was for life. He did not allow anything to turn him from this call.

He loved the Lord and he loved people, which made him a faithful pastor and a good preacher. For many years he made more pastoral calls than any other minister in the conference. He accepted his appointment from year to year and went to work with a will to win souls to Christ and add them to the Church.

He loved the ministry so much that he did not want to die yet. He wanted three more years, but his work was done and we feel "well done."

His last pastorate was at Ginghamsburg. Here he worked until he could go no more; then he resigned, but his people loved him so much that they refused to accept his resignation, thinking he might regain his strength and be able to finish the year, but it was not so, his work was done and God called him home, and he entered into the joys of his Lord.

Report No. 9
REPORT OF CONFERENCE SUPERINTENDENT

To our beloved Bishop and faithful brethren of the Miami Conference: Greetings in the name of the Father, and the Son, and the Holy Spirit:

Looking back over the year in the way of review, leads us to seriously consider our stewardship. Conscious that pen and paper cannot tell all that should be told, yet we must commit to them as best we can the survey of the year.

I. OUR MINISTRY.

We have but five ministers in Miami Conference whose entering the service of the church dates back beyond 1900. These are Rev. E. E. Saul, 1884; Bishop H. H. Fout, 1890; Rev. J. A. Pantle, 1892; Rev. W. T. Frank, 1895; Rev. C. B. Boda, 1899. Of this number, Bishop H. H. Fout and Dr. W. T. Frank are the only men active now, who entered before 1900.

Six men who are active entered the conference between 1900 and 1910, twenty-four of our active men entered between 1910 and 1920.

Our active ministry today consists of sixty-five full time men, fifteen students and three part time men. These men serve fifty-nine stations, and twenty-four circuits.

Our active ministry has served well and much credit must be given to its faithfulness. There have been 6,774 sermons preached, 39,766 pastoral calls made, and for this service our splendid laymen have given $129,733.00.

There has been some sickness and several accidents among our active ministers. The passing of Rev. E. C. Petry and Rev. W. C. Niswonger removed two from our active list of members.

Four tiny bundles came to parsonages of the Conference, one to the home of Rev. and Mrs. Ivan Jenkins, one to the home of Rev. and Mrs. Donald App, and two to the home of Rev. and Mrs. Philip Deever.

Several resignations have been received during the year.

Rev. W. E. Ward resigned the Residence Park Church and Rev. C. W. Fetter was appointed; Rev. M. E. Allton resigned the State Road and Browns Run Circuit and Rev. J. A. Swain was appointed; Rev. A. S. Wolfe resigned the Zion Church in Cincinnati District and Rev. M. Schmuck was appointed; Rev. M. Schmuck resigned the Zion Church and Rev. Harry Eckels was appointed and rendered the report for the church; Rev. Harry L. Smith resigned the Rockdale Church and Rev. Robert Ryder was appointed; Rev. E. C. Petry pastor at the Otterbein Home passed to his crowning and Rev. A. E. Landis was appointed; Rev. W. C. Niswonger pastor of the Ginghamsburg Church passed to his crowning and Rev. Harvey Parker was appointed. In each case the church has done well under the new leadership.

The following have been granted Quarterly Conference license to preach: Miss Mary Simonson, of the North Bend Church; Mr. Rudolph H. Thomas and Mr. Kenneth L. Kraft of First Church, Dayton; Rev. Harold A. Halderman, of the New Madison Church; and Mr. James H. Weaver, of the East Dayton Church.

The Quarterly Conference license were renewed to Mr. Herbert Bosey, of the Otterbein Church; Mr. John A. Clippinger of the Euclid Ave. Church; Mr. Charles Messmer, of the Newport Church; Mr. Herbert Meyers of the Middletown Church; Mr. C. C. Potts of our Union City Church; Mr. Harry T. Sinks of the Columbus Ave. Church, Springfield; Rev. Clifford Stearns, of Mt. Airy Church; Mr. David C. Woodburn, of the High Street Church; Mr. C. S. Zimmerman, of the Southern Hills Church.

Mr. Harry T. Sinks who is serving as pastor at Maple Park is recommended to the Annual Conference by his Quarterly Conference at Columbus Avenue. Mr. William K. Messmer pastor of the Olivet Church has completed his work in Bonebrake Seminary and should be recommended to the Committee on Elders' Orders.

II. OUR LAITY.

Our Lay folks have given the finest kind of cooperation. The Quarterly Conferences, the Institutes, District Rallies and Training Camps were well attended. The Sunday Schools, Missionary organizations, Young People's societies, Ladies' Aids, Service organizations and Brotherhoods have been led by competent officials. In the whole picture of church work our laymen have been well represented in soul winning groups, they have been the financial power back of the program of the denomination, they have been a spiritual force carrying on the work of His Kingdom.

III. EVANGELISM.

The need of the day is a knowledge of the saving power of God in Christ. As a world we have gone to every scheme of mice and men for help and found it not. The world is still groping for the help it so much needs. How shall the world know the real source of help unless someone tells it. It is evident the church has the evangel the world needs; but fear is among some of us that the church is half asleep and does not see her opportunity. It is very evident that an arousing of careless and indifferent, lazy and half asleep church members should take place. There are far too many inactive church members, they are just lukewarm and need the heart-warming experience of a genuine conversion. There are three splendid methods by which this can be accomplished; they are Mass Evangelism, Personal Evangelism and Educational Evangelism. God forbid that any should refuse to use all three methods of approach to this great problem. Paul says "I am all things to all men; that I may win some." In other words Paul is saying, "Everything that can be done to win souls is to be done."

Many evangelistic meetings have been held during the year in our churches. Week Day Schools of religion have been held, and catechetical classes have been conducted. The whole has been done for the purpose of enriching the souls of men, women, boys and girls.

Your superintendent has had the privilege of helping in four evangelistic

meetings during the winter months. The results of these meetings will be reflected in the reports of the churches assisted.

IV. RELIGIOUS EDUCATION.

It was your superintendent's honor to be chosen the director of religious education in our Conference. Twenty-one Vacation Church Schools have been conducted in our churches this year. A large number of our churches cooperated in schools of leadership training, some conducted their own classes. Both the Bonebrake Camp and the Otterbein Training Camps were well attended. The Bonebrake Camp registered the largest number of students it has ever enrolled. Miami gave the largest number of students to Otterbein Training School that came from any cooperating Conference.

Our instructors in religious education must be thoroughly Christian and endeavor to train both head and heart. Too many times the work of religious education is done for the purpose of training the head only; this stops short of attaining the proper goal and should be discouraged.

V. THE REVIEW OF MAJOR ITEMS.

The church membership last year was given as 26,995 and this year it stands at 27,240, a net gain of 245. The Sunday School last year enrolled 24,236, this year 24,325, a gain of 89. Total local expenses last year $262,552.00, this year $306,013.00; total for all purposes last year $369,623.00 and for this year $369,315.00.

Our attitude toward Benevolences in general has been good. We have paid $71.08 more this year on our Benevolence Budget than last. When I consider how we slipped in the first six months of the year and in the last six months we went forward and gained back the lost ground and then went beyond last year's record, I am ready to say that our people have done well if not heroically. Our total benevolent giving has reached the sum of $63,202.00. (The amount for local purposes stands at $306,013.00 making a grand total of $369.315.00.)

Our Ministerial Pension Plan has claimed a part of our attention during the year. The sum for this worthy cause has risen to $9,318.00, of this amount $7,156.00 has been given during this Conference year. Time is slipping away and we need to stress our Campaign work more vigorously, giving ourselves and our money to this great humanitarian cause. You know that there are no magical ways of raising money. Someone said to me not long ago, "If everyone tithed how easy it would be to finance the kingdom of God." Yes, that is true and would be ideal, but not all tithe and we cannot wait until they do. I wish with you, that everyone would recognize his duty to God and be a good steward over the things committed to him.

VI. OUR CHURCH PROPERTY.

We have one hundred and ten churches, most of them in good repair and attractively decorated. Nineteen churches have received extensive repairs and decorations, while ten parsonages have received attention. One parsonage was added to the list, making the total number fifty-five. The one added is the conference manse which was dedicated August 20 by Bishop A. R. Clippinger. This property comes to us at the value of $7,000.00. It has had a new coat of paint on the outside and minor changes inside including decoration. This building will serve the Conference for many years.

The Belmont Church is in the midst of building its eductaional plant that has been needed for so long. The Cheviot Church has completed its reconstruction and decoration. The Piqua Church has installed a new Hammond organ. A number of churches have purchased new Church Hymnals.

VII. YOUR SUPERINTENDENT'S ACTIVITIES.

Your superintendent has endeavored to render service to the best of his ability. He has preached 112 sermons; given 187 devotional talks and conducted 177 quarterly conferences; worked in four evangelistic meet-

ings; made 258 calls in these revivals; made 54 calls in minister's homes; solemnized five weddings; conducted five funerals and assisted in eight others; attended and took part in twelve District Rallies; was present and assisted in three Rural Life Institutes. He attended the State Pastor's Convention, met with the committee on Training Camps, served on the Legislative Committee of the Ohio Council of Churches, was present at the Lakeside Convention and met with committees of various natures.

RECOMMENDATIONS.

1. That Rev. Wm. K. Messmer be referred to the Committee on Elders' Orders.

2. That Rev. Harry T. Sinks be received into the Annual Conference.

3. That we continue the Rossburg Circuit as our Rural Church Project. That the Circuit pay $900.00 on pastor's salary and that the Conference pay $300.00 on pastor's salary for this year.

4. That we hold a series of Rural Life Institutes this year. One in the northern part and one in the southern part of our Conference. And if possible these institutes be held earlier in the year than usual.

5. That we again challenge ourselves to raise ten per cent of our Benevolence Budget for Bonebrake Seminary on Cash Day which is designated as October 15, or the Sunday nearest that date.

6. That Moore's Fork Church be placed in the care of Southeast Ohio Conference.

7. That we set aside a period in the year when we stress good literature.

a. That this be in the hands of the Council of Religious Education.

b. That this period run simultaneous with the Miami Messenger Campaign.

8. That we stress Evangelism in every way and ask the Evangelistic Commission to set up plans wherein we may unitedly work in this important field.

9. That we endeavor to reach a five per cent increase in membership this year.

10. That we stress the Quadrennial Goal as advised by our General Conference, namely "God's Will Be Done in the Community" and that we use the book by the above name as our guide in the study of this subject.

11. That we again commit ourselves to the task of raising a full Benevolence Budget.

CONCLUSION.

I wish to express my appreciation for the cooperation and council of our beloved Bishop Clippinger and the unfailing kindness shown me by the membership of our Conference. I am also thankful to our laymen who have done many fine things that have helped to make my task lighter as your superintendent. Yours in Him,

L. M. Hohn

Report No. 10

Report of Committee on Candidates for the Ministry:

Rev. Harry Sinks was examined per discipline and having met all the requirements, we recommend that he be admitted to Miami Conference.

REPORT ON HOME MISSIONS

The Church is a living, social and spiritual organism through which flows the Life of the Master Spirit of humanity. The Church is the continuation of the Christ personality, His ideals and His Spirit. No organization has done so much in holding human society, and individual character, as the Church. Its influence should and must be felt everywhere. If we are going to be witnesses for Christ, then we must go wherever there is need. The Home Mission and Church Erection Society is a part of our great United Brethren Denomination, and it is as much our duty as individual Churches to support that organization, as it is our duty to support any other phase of our Church obligations. To support Home Missions and the Church Erection Society is a definite part of our Christian duty. If we are faithful in all other things, but permit this one thing to be left **undone,** then we have hindered the progress of this valuable department of the denomination. Not only will this particular department of the denomination suffer, but the entire denomination in like manner will be affected. Wherever people live, whether in the foreign fields or in the home-land; whether in crowded cities or in sparsely settled districts, the Word of God should reach them. So to this end we suggest: First, that a thorough study be made of the needs of this department, and that the members of our Churches be informed accordingly; Second, that we remember in our prayers, those who have been assigned to the sacred task of leadership in this particular department; and Third, that an offering be taken to support this worthy cause.

REPORT OF THE BONEBRAKE SEMINARY COMMISSION

The Miami Conference deeply appreciates the fact that it is the home of The Bonebrake Theological Seminary, the one and only institution which has for its high and noble purpose the specific duty of training ministers for the Church of The United Brethren in Christ.

The Seminary has had an unusually good year. The student enrollment for the year 1938-1939 was 89. An increase over the previous two years. Twenty-three new students have made arrangements to enroll in the Seminary at the opening of the fall term on September 26th.

Thirty-two students served churches during the current school year and many others found some other form of employment, thus earning a part of their school expenses, which has kept student accounts in good shape.

The great financial victory of the year came through a completion of a partial refinancing program, which enabled the school to maintain a balanced budget for the calendar year.

The bonded indebtedness is steadily decreasing. It now stands at the sum of $151,000.00 and the grand total of the indebtedness has been reduced from nearly $700,000.00 to the sum of $326,000.00. Keeping up the present schedule of payments the indebtedness will be entirely liquidated within the next six years.

With these heartening facts before us; be it resolved: First: That we pray definitely and regularly for the Seminary, its President, Dean and Professors, and the Student Body, that Bonebrake Seminary will ever be a place of spiritual enrichment as well as an intellectual center.

Second: That each church in the conference observe Seminary Cash Day on or about October 15, 1939, making adequate preparation for the same by using the literature which has been prepared for the occasion.

Third: That we encourage young men looking toward the ministry as a life-work to adequately prepare themselves for this Divine calling by getting a college education and to take their Seminary Course at Bonebrake.

Fourth: That we cooperate in as far as possible with the Bonebrake Theological Alumnal Association to increase the amount to be used as cash scholarship gifts to worthy students attending the Seminary.

Respectfully submitted,

L. B. Venatta

Report No. 17

COMPARISONS AND OBSERVATIONS

A small increase in church membership of 245 is worthy of note. For the first time in the history of Miami Conference the membership has gone beyond the 27,000 mark. Yet, twenty churches received no members on confession of faith. Thirteen churches received no members at all during the past year.

Within the past five years the number of contributing members has increased 14%. Within these years the total giving for all purposes has increased 23%.

Youth groups such as Christian Endeavor and Otterbein Guild have maintained a fairly even balance in membership and organizations. This year the report shows fewer societies but more members.

While Sunday school attendance shows a slight decline, the increase in vacation church schools more than offsets this loss. 27 churches had pupils enrolled in these schools within the past year. The number enrolled was

65% more than reported a year ago, and 130% more than reported five years ago.

The use of literature furnished by our Otterbein Press again shows a small increase. Less than ten churches in Miami Conference purchased their Sunday school literature elsewhere last year.

The churches spent $7000 less for all local purposes than in 1938. While new debts have been incurred in construction or purchase of church buildings and parsonages, there seems to be a determined effort not to encumber churches with burdensome debts that threaten their future usefulness. The giving for all purposes is approximately the same as a year ago. The current operating deficit is $3500 less than reported last year, while the balance in treasuries is $7000 more.

All full-time pastors except one have conformed to the disciplinary requirement of belonging to churches on the charges they serve.

THE CHRISTIAN SABBATH

"Remember the Sabbath Day to keep it Holy." This is an Old Testament command: Yes, but just as binding upon us today as it was upon those who first heard it. It was God's gift to man, not for the benefit of God but for the benefit of man. Since the Christian Sabbath is a gift, we can receive it or reject it. Many regard it as any other day and therefore refuse to accept it as a gift from God. But on the other hand, there are those who accept it only to misuse it. There are many who make it a day of repression rather than a day of expression, a day of gloom instead of a day of joy.

With Jesus, the supreme values were human values. Therefore, He said, "The Sabbath was made for man." He was and is against any use of the Sabbath that fails to make human need of prime importance. Today many find themselves abusing the use of this holy day by amusing themselves or others. It is a day when we have some of the biggest athletic contests, give most elaborate parties, hold picnics; on the Sabbath, places of amusements are crowded, roads are most congested by traffic, and more fatalities occur on this day than on any other day. As Christian people, we need to realize that this change of attitude has not come through the conviction of religious people, but by drifting into it under the spell of the world. We are not saying that these things are wrong in themselves, but that they repress that higher use for which this day was intended. Man is more than an animal, he is an immortal soul, and this day was meant to minister to the needs of the whole man, physical and spiritual, temporal and eternal, therefore

First: The Christian Sabbath is to be a day of rest. A period of rest is one of the universal laws of life. It has been demonstrated that over a period of time both man and beast and even machinery can do more in six days than in seven. To disregard this fact is to lower our vitality and efficiency, and therefore decrease our usefulness in Kingdom service.

Second: The Christian Sabbath is to be a day of worship. It began as a day of worship. And just as necessary as our need for rest, is our need for worship. It is through worship that we come into the realization of those unseen values that abide. To worship is to grow spiritually strong. Jesus knew that, for He went into the synagogue on the Sabbath as his custom was.

Worship and rest, these two go together. We cannot retain our spiritual vitality without them. When we forget this day in holy worship and peace-

ful rest, we soon forget God. Forgetting God, we lose our souls. Therefore, let us remember the Christian Sabbath to keep it Holy.

RESOLUTION CONCERNING THE HISTORICAL COMMITTEE

Whereas, our method of electing an historical committee in the past has given the committee and the Conference no assurance of continuity or permanency either in its work or its records.

Therefore, be it resolved, that of the three persons who are elected in today's election, the one receiving the highest number of votes be elected for a term of three years, the second highest for two years, and the third highest for one year. That, hereafter, one person be elected each year for a term of three years.

FOREIGN MISSIONS

"God so loved the world that he gave his only begotten Son, that whosoever believeth on him should not perish, but have everlasting life." This is the heart of the Christian Gospel. This is the gospel which we are to proclaim to the entire world, for we are specifically told by the Master to go and preach this gospel to the whole creation. This is at once, our great task and opportunity. This task will remain before us as long as there remain souls which are in darkness and are deprived of the light.

The Christian Church is today called to live and to give life, in a world which has been badly shaken. We live in perilous days and the Church must not and cannot retreat nor stand still. Yet, we can advance only as the whole Church unites in a new fellowship of the spirit to evangelize the world. Everywhere there is war and rumor of war. In many places, right has been dethroned; the best in man has been broken, and brutality and tyranny have taken their place. Many have lost all faith in God, in reason, in honor and decency, and also in the possibility of peace. In the midst of all this, the Church must conduct its missionary enterprises, seeking to repossess and give in place of these evils, the truth and life of God.

The work to be done is so vast, so urgent and necessary, that it calls for all the resources of a united Christendom. The task in this awful and perplexing day must be undertaken by a partnership of all denominations, and by a pooling of the efforts of all Christians.

As Christians, our burning desire must be for world-evangelism. In order for this to be carried out, members of the United Brethren Church must be informed as to our own missionary endeavors. Therefore, we must—

(a) Continually urge all our people to intercessory prayer in behalf of our missions and missionaries.

(b) Set aside the first Sunday in March as Foreign Missions Sunday.

(c) Continue to emphasize the importance for each local church to try to the best of its ability to raise a full benevolence budget.

In addition to this we may, with profit, adopt the Church Standard, Section 5, Missions, emphasizing especially, courses of study among the men and children who, at the present time have only a scanty knowledge of our missionary work.

In addition to these, there are other interests which clamor for our attention:

(1) Our work in China is in great need. The work goes on in spite of the results of war. Our missionaries remain loyal at their posts in the face of bombardments and persecutions, and by this, have won great admiration from the Chinese people. Our work has been reinforced by the appointment of Reverend and Mrs. Calvin Reber and we will stand behind them. China needs our help both spiritually and financially, and we must rise to meet the occasion.

(2) Our work in Japan is also in need of our unfailing support and prayers. Countless Japanese Christians have been compelled to choose between Caesar or God. Military leaders have assumed dictatorial powers and em-

phasized Emperor Worship which has confused and strained the Christian forces. We too, should suffer with Doctor Kagawa in the dilemma of Japan when he says, "It is the redemptive love that Jesus lived and practiced that transcends race. Since the Japanese nation was unable to taste that great redemptive love, I suffer the sorrows of the prophet Jeremiah."

Therefore, we must bend all effort to give our utmost aid to these two suffering oriental nations.

In view of these facts, let us carry out a well rounded missionary program in each local church, and give of our prayers and substance to the work of our church in Africa, Puerto Rico, the Philippines, China and Japan. May God help us to accept this great challenge in the field of missions.

REPORT OF THE OTTERBEIN HOME

For a quarter of a century The Otterbein Home has served the United Brethren Church as a refuge for those who need the protection and comforts of life. So well has it performed its task that today through the combined efforts of pastor and people it has not only provided education and growth for the youth, but also a haven of rest for the aged.

At present there are one hundred and sixty children and youth between the ages of three and eighteen and over one hundred aged folks housed in the Home where peace and contentment, comfort and satisfaction may be found.

It must be a big job to plan food, shelter and clothing for so large a family when we compare our task in such matters with our small families, we must surely recognize its immensity. These boys, girls and aged are just like ourselves and need the same environment, care, recreation, and companionship. There is but one source from which this may come, through you and me.

Our Christmas offerings have been all too small down through the years and surely our companionship far too neglected. Let us resolve now to begin to lay plans for a large contribution toward the Christmas offering which represents the only pay-day for the Home. And just as important let us resolve to better acquaint ourselves with the Home and its people by small group visitations, get acquainted with older folks, they love to have company; then take time to be a child again with the children and youth, learn to love them and they will return your love fourfold.

In all the years I have known the Home I have never experienced such contentment and satisfaction as exists there now, and unless I am sadly mistaken it is due largely to not one but many reasons: First of all your renewed interest and faith in the Home; the smaller group visitations where personal acquaintances are made; the most efficient work of the Home Auxiliary of which every woman in Miami Conference ought to be a member and perhaps the men ought to be also; then the fine leadership and companionship of the superintendent and matron and their governesses. Last but not least, the very fine cooperation and willingness of the whole family for it is just a great big family of boys and girls and grandparents, perhaps some aunts and uncles, too, who are willing to help with the duties of the Home not because they are forced to, but because they want to.

Finally let us boost the Home, not because we are asked to, but because we have learned to love the big family that occupy it.

Rev. Henry P. Snapp

Report No. 22
REPORT OF COMMITTEE ON PUBLISHING INTERESTS

Dr. J. B. Showers, agent of the Otterbein Press, sends the following message to the Brethren of Miami Conference:

First—His deep appreciation of the fine way our conference has cooperated with the Publishing House.

Second—The reorganization program has been a success and that each year there is additional evidence of success in the liquidation of the nearly two million dollars of debt.

Third—A decided turn for the better has come with the new tenant into our store in the office building. Nothing but a calamity coming to the nation, we believe, will now interfere with the successful operation of the office building.

Fourth—In justice to the Sunday School pupils, the teachers and the Church, our Sunday Schools should move back again to the amount of literature they took before and to increase it in keeping with the enlargement of the Sunday School. Our editors: Doctor Owens, Doctor Lyter, Doctor Snyder, Doctor Harris and Miss Alta Becker are constantly striving to improve our Sunday School and Church periodicals. The Junior and Primary quarterlies are maintaining the fine reception they had at the beginning and are proving a remarkable success.

Fifth—The New Church Hymnal is having a fine success. No Church is too small that it cannot use our denominational hymn Book.

Sixth—The very heart of the drive during the coming year should be the Religious Telescope, now in its second century of its religious history.

To have a continued success there are some things that we as ministers and laymen can and should do:

First—We must make full use of United Brethren literature in every Sunday School and Church. No literature published by any other denomination or by non-denominational house is right for a United Brethren Sunday School or Church. So let us use our own literature.

Second—Churches contemplating the purchase of new hymn books give special attention to the New Church Hymnal.

Third—That every pastor promote a Religious Telescope campaign. We recommend a continuance of the present club arrangement for the Telescope and the Miami Messenger.

Fourth—That we, as pastors, encourage the laymen to buy their religious books and literature through the Publishing House. "Buy U. B."

REPORT OF READING COURSE FACULTY

We recommend that C. H. O'Brien be retained in the first year's course of reading. Inasmuch as he is now in the fifth year of Annual Conference membership, we further recommend that the conference Superintendent inform him that he should pursue his course of reading in accordance with the disciplinary requirement and failing to so do, that he be referred back to his Quarterly Conference.

That Robert Ryder having completed the second year in Bonebrake Seminary be passed to the Third Year Reading Course.

That Joseph Quick, having failed to complete his first year's reading course, be retained in the first year.

REPORT OF COMMITTEE ON ELDERS' ORDERS

W. K. Messmer, having completed his scholastic work in Otterbein College and Bonebrake Theological Seminary, and having been referred

to this committee by the conference, was examined and found to be sound in faith and doctrine.

He gives evidence of a vital interest in the church and its work of building the Kingdom of God in human life and society.

We, therefore, recommend him to the Conference for ordination.

Respectfully submitted,

REPORT OF COMMITTEE ON PASTORS' RECORDS AND REPORTS

We, your Committee on Pastors' Records and Reports have carefully examined and audited each successor's record and report.

We commend all of the ministers for their cooperation in presenting neat and well prepared records and reports to the conference. Final audit shows three more names listed in all the successor's records than reported to the Statistical Secretary.

One charge of two small churches is unreported.

The committee recommends:

1. That the churches procure the prescribed records according to the discipline, for their pastor.
2. All furnish the addresses of each member.
3. That the names of all officials be recorded.
4. That all names be typed and numbered consecutively.
5. That the Telescope and Messenger subscribers and date of expiration be listed.

Respectfully submitted,

Report No. 26
EVANGELISM

The chief business of the church is two-fold, namely, the evangelization of the lost and the Christianization of those who accept the message of the Christian evangel. The normal condition of the church is evangelistic. To evangelize means to proclaim the glad tidings of salvation in Christ to lost and sinful men; to announce to sinful men that if they renounce and forsake their sins and believe on the Saviour, and commit themselves to Him, they shall be saved from their sins and have restored in them the image of God.

That the aforementioned proclamation may become effective in the hearts of sinful men; the church needs, first of all, to be fully convinced as to the power of God, the power of the blood of Christ; the power of prayer; the power of a surrendered life to the will of God.

Men need to be warned that sin separates from the life and fellowship of God. But churches as well as individuals may sin and fall and thus render themselves ineffective to fulfill the purpose which was in the mind of Christ when He first sent her forth into the world. The church at Sardis is an example, as seen in the announcement of the angel of that church, wherein we find both commendation and condemnation.

The church is here as God's evangelizing agency. Therefore, she should prepare to give herself without reserve and without fear to the great purpose unto which she was commissioned by the Son of God.

We recommend that a program of evangelism be promoted in each church; through catechetical classes, mass evangelism and continuous emphasis throughout the year.

We recommend that the program committee for next year's conference

consider making one evening service distinctly evangelistic, with an outstanding evangelistic speaker.

Report No. 27
REPORT OF COMMITTEE ON MINISTERIAL PENSIONS

Rev. E. S. Comrey read the report of the Committee on this subject from this Conference floor two years ago. In that report he stated that opportunity is knocking at the door of every Church of the United Brethren in Christ. Of the 110 churches in Miami conference thirty-two have not heard the call or at least did not respond with any remittance to the Treasurer up to September 1, 1939.

In my report of one year ago, I gave as the amount of money paid in at that time $2,641.00. Now I'm glad to report the sum has reached $9,008.04, a gain of $6,367.04. At this same rate of gain it will take over twelve years to raise our quota.

The Treasurer, Reverend Boda, sends me each month a list of the churches and amounts remitted on the Preacher Pension fund. Just why so many churches have failed to give any consideration to the Preacher Pension fund I am unable to say. $1,000,000 is the amount set by General Conference. $171,000 is the amount received by the General Treasurer, or the church has paid 17% to date. Miami Conference was given a quota of $77,532 and has paid 11.6% or a little over $9,000.

Of the seven districts of Miami Conference I note that the East district leads in their giving, it being 14%. West Dayton District is second with 13%. Greenville is third with 12%. The North with 11%. Cincinnati and Lewisburg District with 9% each. Middletown District is lowest with only 4%. There are 5 churches in the Conference that have paid 50% of their quota and they should be mentioned I think. They are Otterbein Home, Utica, Zion Cincinnati, Otterbein Dayton, and Pyrmont.

We are now entering a new Conference year and with it, the obligation to do more for our old ministers this year than we did last year.

When we think some of the conferences have paid 40% or more of their quota and we have paid but 11.6%, we must acknowledge that we have not done our duty as we should have done. Many of you ministers here, are wondering as to the best method of proceeding to get this matter before your people. My suggestion would be that it have more publicity. That it be discussed more freely in Official Board meetings, that the laity take definite action in sending in a certain amount each month and every month.

REPORT OF THE COMMITTEE ON OTTERBEIN COLLEGE

Your Committee on Otterbein College begs leave to present the following recommendations and resolutions:

1. The work of Dr. W. G. Clippinger and his contribution to the college can never be valued too highly. We hereby express our appreciation of his thirty years of service for the church as president of Otterbein College.

2. We heartily announce our confidence in Doctor J. R. Howe and pledge to him our earnest support in his great work as president of the college.

3. We again affirm our faith in the importance of the church connected liberal arts college and are resolved to support our college with our cooperation both in the field of enlisting students and in the finances of the college. To this end we will promptly send to the college lists of prospective students and liberally support the education day offering so that Otterbein will get its rightful share of our benevolent giving.

4. We again declare our hope that the college will maintain its high educational standards and at the same time hold to the normal, religious and social standards that mark the corporate conscience of the United Brethren Church.

5. We declare it as our hope that the management of the college continue the careful business administration that has in the years past established the credit of the college and maintained its position of freedom from debt. Insofar as it is at all possible we urge it as our opinion that the budget should be balanced.

Report No. 30

REPORT OF THE MIAMI CONFERENCE BOARD OF CHRISTIAN EDUCATION

This report confines itself largely to the activities of the past year with a few references to work to be done during the coming conference year. The annual Conference elects the members of the Conference Board of Christian Education. These elected members in turn elect the Directors, and the Directors together with the elected members of the Board constitute the entire Board of Christian Education.

The Board is responsible for a program of Christian Education in the Conference. The promotion of that program is delegated to the Directors. These Directors are the executive officers for the promotion of the entire program of Christian Education.

The promotion of our Conference program of Christian Education during this past Conference year has been in the hands of the following: Dr. L. M. Hohn, General Director; Rev. M. D. Kidwell, Director of Leadership Training; Rev. Roy D. Miller, Director of Adult Work; Rev. Harvey C. Hahn, Director of Youth Work; and Mrs. Will Hopkins, Director of Children's Work. At a meeting of the Board held at the time of the Lakeside Convention, it was decided to follow the policy of electing the Directors for the ensuing year some time before the sitting of the annual Conference. This enables the Directors and the Board to formulate a program for the coming year and to use the occasion of the Annual Conference as an opportunity to promote this program. The above named Directors were reelected for the Conference year 1939-1940.

We are glad to have our Conference Superintendent, Dr. L. M. Hohn, as our General Director of Christian Education. Doctor Hohn meets with the Board in all of its meetings and knowing the needs of the field as he does, he gives valuable guidance and counsel in the work. He also, in connection with his promotional work as Superintendent, is able to be an aggressive promoter of Christian Education. Doctor Hohn reports very commendable progress being made in the Conference in the field of Vacation Church Schools. Between fifty and seventy-five percent of our churches conduct Vacation Church Schools. Our Churches of the Conference in cities where Week Day Schools are held, are cooperating in this splendid work of Christian Education. A few churches conduct their own summer camps for young people. Several churches send teachers to Community Training Schools while many others either conduct classes in leadership training or else unite their efforts with a nearby church and conduct leadership training classes. Our General Director is giving encouragement along these lines as he goes from church to church.

The Director of Adult Work, Rev. Roy D. Miller, reports as follows:

"In the whole field of Adult Education, accomplishments are far short of needs and possibilities, though each year sees a lessening of this distance. Much of the church's influence and impact upon the world in the next decade will depend upon the progress made in this Adult field.

"During this past year, the Adult Director wrote several articles for the Miami Messenger, sent several circular letters to local church adult leaders, led discussion groups in each of the spring rallies and visited some few churches. He also had the privilege of teaching in the Bonebrake and Montana Camps, of teaching one course in the adult field in the Dayton Community Training School, of representing the Denomination at the Lake Geneva meeting of the United Christian Adult Movement Commission, and of being a team leader in one of the Adult Forums at the Lakeside Convention.

Recommendations:

1. That for more thorough contact and promotion of the Adult work in the Conference, each church elect an Adult Director and that each Conference district choose a district leader to form a Conference Adult Council.
2. That each local church build its adult program around the needs of adults using the Denominational annual program and the principles and program materials of the United Christian Adult Movement.
3. That the Adult work be promoted through the Fall Institutes and a Conference Adult Convention.
4. That a copy of the Annual Program for Adults be sent to each Adult Director.
5. That each local church give attention to the rising tide of interest in the Young People's Adult Movement.

Rev. Harvey C. Hahn, Director of Youth Work sends the following report and recommendations:

"Your Youth Director conducted sixteen campfires, spoke at sixteen youth banquets and twenty-nine youth rallies during the last year. He attended nine committee meetings in the interest of our own youth work, assisted in three youth retreats. The above activities were all conducted in Miami Conference. He also took an active part in nine youth conventions

and training schools and directed Miami's second one-day youth convention.

The following Youth Cabinet will assist the Director during the ensuing year:

Barton Fischer, Cincinnati District Leader.
Harry Sinks, Middletown District Leader.
Vivian Peterman, West Dayton District Leader.
Irene Brecht, East Dayton District Leader.
Sarah Aydelotte, North Dayton District Leader.
Marjorie Miller, Lewisburg District Leader.
James Trump, Greenville District Leader.

Miss Aydelotte was elected President of Y. P. Union at Bonebrake Seminary Camp. The young people of Miami will inaugurate the 100 days of celebration of Youth Work in our denomination with their third one-day Convention at Euclid Avenue Church on January 27, 1940.

Mrs. Will Hopkins, Director of Children's Work reports as follows:

"The work of the Children's Division of Miami Conference has moved along very nicely this year. I have visited several rural churches, conducted worship services, taught, played with children, and held conferences with the Workers with children.

"I also took a special course in training; taught a six-weeks' course at Troy, Ohio; and attended three of the Spring Rallies. Owing to illness, I was forced to be absent from the first two.

"Our convention we felt was very successful. A keener interest was shown than last year. The attendance was not up to our expectation owing perhaps to the change of day from Saturday to Friday. The committee was very much encouraged.

"I sent out Bulletins quarterly and answered numerous letters as the workers sent in for information. I am able to promote the work of the division throughout the Conference largely by correspondence.

"I substituted in the 'Week Day School of Religion' all of last term, teaching the greater part of the time. This spring I participated in the 'Vacation Church School Institute' conducted by the County Council of Religious Education. In the Leadership Training School at Bonebrake I taught course 210a 'The Children We Teach'; Course 215b 'Child's Approach to Religion' was also taught by Miss Ida Koontz. There were fifty students in the two classes."

The Directors promoted the observance of Young People's Anniversary Day, Children's Day, and Education Day. The offerings show the following results over the past six years:

	1934	1935	1936	1937	1938	1939
Y. P. Anniversary	$494.00	$634.00	$591.00	$631.00	$595.48	$743.82
Children's Day	444.00	629.00	687.00	634.00	700.80	810.31
Otterbein College	531.00	752.00	769.00	857.00	1130.20	1203.74

In view of the fact that our General Board of Christian Education has prepared such excellent programs of activities for all age groups in the field of Christian Education, our Board recommends to each pastor, and each local Church the wide-spread use of these programs. We recommend these Programs of Activities for adoption by Miami Conference as The Miami Conference Program of Activities in Christian Education for the Conference Year 1939-1940.

As a Board, we appreciate the cooperation of the entire Conference in the program of Christian Education.

Walter N. Roberts

Report No. 31
REPORT OF THE COMMITTEE ON POLICY

Your Committee on Conference Policy begs to submit the following report:

1. General.—We recommend the booklet, "God's Will Be Done in the Community" be used effectively in all local churches. Method for use of the booklet shall be left to the discretion of the local church.

2. Evangelism.—That we urge every local church to give emphasis to a

definite program of Evangelism, we advocate that every worthy method of evangelism be used. We further recommend that the evangelistic commission elected at this conference be instructed to study programs of local churches where present methods of evangelism seem inadequate and that said commission give definite aid in making an adequate program possible.

3. Christian Education.—We recommend that we adopt as our conference program of Christian Education the program prepared by the General Board of Christian Education leaving all details for its promotion in the hands of our Conference Directors of Christian Education. That Rural Life Institutes be promoted by Rural Life Commission of the Conference. That a study of the principles of Christian Stewardship be made a vital part of our program in every local church during the conference year, thus taking advantage of every help to be received as a result of 1940 being designated as Stewardship Year throughout Canada and the United States. This program should be planned along lines suggested in materials furnished to pastors by the Board of Administration and included in the package distributed by the Superintendent.

4. Finances.—

a. The Conference goal, for benevolences, is to pay the quota in full. We recommend that every church in the conference which is not paying benevolences in full be asked to show a substantial increase, and strive conscientiously, to reach the quota in full—a report of this item to be made in full at the fall rallies.

b. We believe the ideal way toward a full budget for all local and benevolent interests is through a local finance committee, the giving of emphasis to special projects on the denominational calendar and the "Every Member Canvass" in every local church and while we do not suggest methods we urge the widespread use of the above agencies as means to an end.

c. That the regular monthly remittance of benevolence by every church be made to the conference treasurer by Thursday noon following the last Sunday of the month.

d. That in the monthly benevolence reports in the Miami Messenger the church be rated according to the plan suggested in the Discipline on page 265.

e. We recommend that all churches be requested to vigorously promote the Ministerial Pension Fund Campaign and that we reach our conference quota to date by conference 1940.

f. That every charge employing a full time pastor be required to pay the minimum salary of $1500.00 and home.

We further believe that while commendable gains have been made in some instances where ministers have been employed on a part time basis, we believe the Kingdom's work can be greatly enhanced through a full time program which means that we recommend that every church strive toward placing their church on a full time basis.

5. Ministry—We believe there is no place more important than that of the Gospel Ministry, and that the Gospel Message is the only message that will usher in the Universal Brotherhood of Man.

Therefore, that we give ourselves more earnestly and prayerfully to this mighty task.

a. That we recognize $1500.00 and house as a minimum living salary for a minister giving full time to the work.

b. That men serving charges as student pastors shall be required to take at least three-fourths of regular full-time work in the Seminary.

c. Student pastors receiving $600 and parsonage or $800 without parsonage, shall not be otherwise gainfully employed.

d. That all pastors be expected to attend all conference functions such as rallies, district meetings, etc.

e. We believe that we dare not set aside our moral obligations to our sister conferences by inviting and receiving Seminary students who are already members of other conferences to full-time pastorates in our conference either on the occasion of their quitting their courses in the Seminary or their graduation.

f. Again and again United Brethren move from one general locality

to another without ever affiliating with another United Brethren Church and in many instances are lost to the church and the Kingdom, therefore we recommend that ministers of our communion rigidly adhere to the practice of informing ministers of other cities and communities as to the whereabouts of the parishioner.

g. That all pastors shall preach next Sunday in pulpits to which they were assigned at this conference.

Believing that all the articles of this report are in keeping with the will of God, we recommend that we faithfully pledge ourselves toward the accomplishment of the program suggested.

Faithfully submitted,

C. R. Smith, Chairman
A. T. Martin
Robert Copeland
O. D. Wellbaum
M. G. Bolinger

Report No. 34
REPORT ON STEWARDSHIP

In our report on Stewardship for the year 1937, we stressed the keeping of the Sabbath, but the giving of that portion of time as outlined in the Bible, viz. 1:7. Last year we emphasized the giving of the tithe as the last that God expects or **demands** of us.

This year as we look about us, and see all of the unrest, uncertainty and even conflict abroad, we are inclined to feel that the world at large has dethroned God and enthroned man. As we go in and out from place to place among many who profess to be followers of Him and yet find them so indifferent to the calls of the church, we are inclined to cry out, Oh God, give us a conviction that will carry us to our knees before God beseeching Him to forgive our waywardness and sin and to heal and protect our lives, our church and our land. In view of the above facts, we want to stress the giving of **self** first and if this be done we shall find a solution to many of our religious and moral problems. From the standpoint of a layman, I feel that if we were to dedicate ourselves to the task of purifying the church within that the work of evangelism would be greatly accelerated. Again, as we look about and see so many churches darkened on the night for prayer and worse yet, many small churches being closed and so many of the larger ones closed on Sunday evening, to us it is a signal to stop, look and listen to the warning of God. Jesus said when looking down on Jerusalem, "How oft would I have gathered you together as a hen gathereth her brood but ye would not." He further said, "Render unto Caesar the things that are Caesar's and unto God the things that are God's."

Through the study of our Sunday School lessons the past weeks we have seen the punishment and suffering of Judah and Israel and we have also seen how God smiled upon them when they came back to Him. May we draw nigh unto him that he may heal our land.

At this time let us consider some facts and figures as presented by the United Stewardship Council during the National Convention held at Chicago November, 1938. In spite of the increase of 77% in our national income for the year 1937, over that of 1932, the American public has actually decreased its gifts to the churches 19%, to benevolences 28% and to community chests 22%.

Simultaneously, expenditures for jewelry, theaters, cigars, automobiles, whiskey, radios and beer have soared to an increase varying from 24% to 602%. They further state that 27 of the leading religious organizations in the United States are paying only 2.3 of the tithe.

Last year we suggested that the pastors prepare quarterly messages on tithing, giving out suitable leaflets at that time. We do hope this can be carried forward this year. We further urge that each church elect a local secretary to work with the general secretary. We want to recommend to you again the use of the "Upper Room" for your daily devotions and

"God's Will Be Done in the Community" for study periods. If we will all adopt the following motto for the coming year which is as follows: "Expect Great Things from God; Attempt Great Things for God" and then send in report of your results, we shall have a better report at our next Annual Conference. O. A. Stutz, Stewardship Secretary.
